

Abstract format

Authors are invited to submit abstracts via <https://delnam.fe.up.pt/workshop-2-emergent-technologies-to-deliver-antibacterials-into-biofilms/> as an attached **pdf** document. Please refer to the **Abstract Template available** at the website (include the header and footer present in the template). Abstracts should be structured according to the template, under the headings below. Abstracts that do not follow the format requirements will not be considered.

Title

Title should be in **bold** Times New Roman font (font size: 14; 1pt spacing between lines).

Authors

Type initials and surnames of the authors (Times New Roman; font size:12; centred; 1pt spacing between lines). Underline the name of the presenting author. Include superscripted letters by alphabetical order referring to the affiliations.

Affiliation

This should include the name of department or laboratory, followed by the name of the organisation (university/company), city and country (Times New Roman; font size:10; justified; 1pt spacing between lines and 6pt spacing between paragraphs). One affiliation per line.

Abstract body

This should be in Times New Roman font (font size: 12; justified; 1pt spacing between lines and 6pt spacing between paragraphs).

Graphs and tables are optional.

References (if necessary)

Along the text the references should be numbered and in between square brackets.

In the references list they should be in Times New Roman font (font size: 11; justified; 1pt spacing between lines) and in Vancouver style.

Acknowledgements (if necessary)

This should be in Times New Roman font (font size: 11; justified; 1pt spacing between lines). Include the title in **bold**.

Additional Rules

The margins should be set to Normal (sup.: 2,5cm; Inf.: 2.5cm; Left.: 3cm; Right.: 3cm). Abstract length is limited to **one page A4**, including tables and graphs, and all of the topics above.
